

**MRS. YAZVAC'S 6TH GRADE NEWSLETTER**  
**Week of October 25 - 29, 2021**

**EEEEEEEEEEEEKKKKK, My Pretties!**

**So, very, very, very, nice to have you back in class - all of us, together again!**

We have so many things to share with each other! Please remember to follow the rules for class discussions. Raise your hand when Mrs. Yazvac takes a break in talking (if she ever does!) and wait to be recognized before speaking.

There is only one person speaking at a time and the rest of us are **LISTENING**.

And, we will be taking a little “Halloween” walk on the first nice day to see a very interesting display . . . . *if you can handle it!!*

**MATH:** We will be looking at data we generated at school last week and we will be talking about anything math related that happened at Science Camp. We should be able to do some work with Rates (just like we will be doing in Chapter 1, Lesson 3 and 4.)

You will notice that all games are unlocked in Sumdog. That is because you now have a classroom subscription! Yippee!!! That also means I can reward you with coins whenever I feel you deserve a little bonus!

**READING/ENGLISH/SPELLING:** We will begin researching Slovakia for our “Christmas Around the World” presentation. We will also begin our group projects using our Summer Reading books (*finally!*)

We will finish sharing our Social Studies Projects and begin Sharing our Saint Dolls. You should all be researching your Saints and decorating your dolls. Check the assignment for that due date. You do not have to wait to turn that in. When

you are ready, we can start presenting. I will make a sign-up sheet for scheduling your presentations.

We will be reading the new TFK magazine and taking a Quiz at the end of the week. We are working on Set #4 Spelling words (and testing on Set #3 if you were at Science Camp last week.)

**RELIGION:** Continue The Christian meaning of Sacrifice with Mrs. Morris  
*Virtus Lessons 3 and 4 with Mrs. Yazvac*

*Love you like a Grandma, Mrs. Yazvac* 

**Upcoming Events:** *new items highlighted in yellow (if there are any)!*

*If you had a birthday earlier this school year and I didn't add it to the memo, that is because I didn't have my neat stickers (Thank you, Annagrace!) I will be sure to add you to the memo at the end of the school year for Summer and Fall birthdays ahead!*
