

**MRS. YAZVAC'S 6TH GRADE NEWSLETTER**  
**Week of October 4 - 8, 2021**

**My dear, dear, sixth graders!**

It's a 4 day week this week (with a "Tech" day at the end)! In the middle of our week is our walking field trip to "Hart Kitchen!" Please be polite and open minded. We will be trying new things! That is always an adventure. Please stay positive. Think of nice things to say, I know you can!

You do not come to school on Friday. Try not to cry too hard about that. Your Tech Day assignment will be posted on Thursday evening, and will be very, very simple! I think you will be pleased!

Here is what I would like to cover while we are together in class:

**MATH:** Chapter 1 Lesson 3 Rates (This follows right along with the Ratios we have been working on. You will be fine!)

**READING/ENGLISH/SPELLING:** We continue to add words to our Spelling Set #3. Be sure to study those as we go along, instead of trying to learn them all right before the test. Some of us need to bring our Spelling grade up!

As we do every week, we have a new Time for Kids magazine and we will continue working with our Studysync Reading and Writing textbook. Next time we read something from Studysync and take a quiz, it will be for real!

Please continue earning those AR points. Some of you have already earned 15 or more! Those are due in 2 weeks!

Continue working on your Inktober pictures. Have fun with it! I will be posting some of them in the hallways.

**RELIGION:** Continue The Christian meaning of Sacrifice
