

Supply List for Yazvac 6th Grade 2020 - 2021

****Please see additional items for Art and Science at bottom of page.***

From each student for our classroom, please:

1. Box of tissues (If I need more in January, I will let you know.)
2. Gallon size Ziploc bags
3. Sandwich size Ziploc bags
4. Clorox or Lysol wipes
5. Bottle of Hand Sanitizer
6. Roll of Paper Towels
7. Small scissors with pointed ends
8. Colored pencils
9. Markers
10. Pencil bag with zipper and “3 ring binder” holes so we can hang them on our desks. (I could use a pack of zip ties for hanging these.) Here is a picture of what we used last year.

11. Personal pencil sharpener to keep at desk.

I have plenty of paper and pencils. Students will keep notes using Google documents, so they will not need notebooks for me. We will do most of our work on our ipads.

*I use “**Wishlist**” items listed below often, but do not need from each parent:*

Paper plates, bowls, and cups

Plastic eating utensils

Napkins

For Art Class

From each student please:

Baby wipes

Clorox wipes

Crayola washable markers

For Science Class

From each student please:

Composition notebook

1 glue stick & 1 bottle of glue

1 roll of paper towels OR 1 container of Clorox Wipes

THANK YOU! Mrs. Yazvac
