

MRS. YAZVAC'S 6TH GRADE NEWSLETTER

April 29 - May 3, 2024

Just a little more than 2 weeks of school remaining, 6th Grade!

Please remind your parents to check their email. They should be hearing from Mrs. Ammons about sending **three pictures** of you (one as a baby, one a current picture, and one an age in between!) These pictures should be emailed (you can help your parent do this with your iPad) to Mrs. Ammons in reply to her email. Please take care of that before Friday, May 3. Mr. Snyder wants your 3 pictures as soon as possible so he can make your graduation video.

Please turn in your Robinson Grand permission forms and your Lesson with Mrs. Powers permission form as soon as possible. Let me know if you have lost your form.

I still have several math concepts I want to cover with you. I plan to do that in as painless a way as possible (probably by using Nearpod lessons). Thank you for helping us keep track of the items on your MAP test that were difficult. We will go over all of those problems in class!

The book fair that was scheduled for this week has been canceled. I am glad you have the Libby App so you can access library books anywhere, anytime, for ***FREE!!***

Your week ahead will be busy!

Monday: Class Picture Day

Try to look gorgeous!! You do not have to wear your uniform!

Tuesday: Mrs. Shaeffer will be here to sub. I will post a Nearpod lesson on Integers for you to complete during the school day, or as homework if you do not have enough time. This will be a graded assignment.

Thursday: Move-Up Day

Notre Dame Seniors will walk through the building and at some point the 6th Graders will join them for activities at Notre Dame (I think this may be at 9:40.) Saint Mary's students will move up to their next year classes in the afternoon.

Friday - *Carnival Day*. There will be no mass on this day. Each grade will have a scheduled time to enjoy the Carnival. Whenever we can, around our scheduled "Carnival" time, I'd like to try to squeeze in some Graduation practice! Let's finish this up so you are ready for the big day!!

Saturday, May 4 - "*May the Fourth Be With You!!*"

Sunday, May 5 - *Happy Cinco De Mayo!*
